## Calanthes & Cymbidium

06-2016 **Subj to prior sale**

Please email or call to  
place an order.

	<b>X</b> 	<p><b>Calanthe (Grouville x vestita)</b>          Blooming size seedlings. Will need 2 years to reach maturity, but should bloom with smaller spikes in 2016/17  <i>Terrestrial mix. Stop watering after bloom. Repot when new growths appear, start watering when new growths are 2" tall. Feed heavily during growing season. Blooms on large sprays in Jan/Mar.</i></p>	Single lead <b>\$25.00</b> Two leads <b>\$32.00</b>
		<p><b>Gastrophaius (Phaiocalanthe) Dan Rosenberg</b>          Sib cross seedlings. Need 1-2 years to BS. Does not require a rest period; blooms Feb/Apr.</p>	<b>\$18.00</b>
 		<p><b>Cymb (Yamanashi Fire 'Burgundy' x Pele 'Prolific')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting large red flowers.</p>	<b>\$25.00</b>
 		<p><b>Cymb (Brenda 'Geyserland' x Helen Tangcay 'Passion')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting large white or pink blush flowers.</p>	<b>\$25.00</b>
 		<p><b>Cymb (Harry Polis '#1' x Ruby Lips 'Erika')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting medium/large red flowers, with high flower count.</p>	<b>\$25.00</b>
No Photo	<b>X</b> 	<p><b>Cymb (Sunshine Smile 'Harriet Ishitani' x Daisy Mae 'Nancy')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting large monochromatic yellow flowers.</p>	<b>\$25.00</b>
 		<p><b>Cymb (Speckles 'Bold Vision' x Pepperpuss 'Dark Spirit')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting heavily spotted flowers.</p>	<b>\$32.00</b>
 		<p><b>Cymb (Kirby Lesh 'Cinnabar' x Splatters 'Flamenco')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This cross is targeting heavily spotted flowers.</p>	<b>\$32.00</b>
 		<p><b>Cymb (Pepper's Fire 'Carnival' x Cotton Candy 'Wizard')</b>          Large seedlings from one of CA premier Cymbidium breeders. These were potted up into 6" pots in 2016, and are 2-3 years from BS. This is a speculative cross, hoping for peloric flowers, but we might get all non-peloric.</p>	<b>\$32.00</b>
